Memorize the following poem and learn how to apply each part of the rule.	Explanations
<b>Use i before e</b>	Unless you have a reason not to, use 'ie' as in thief, believe, priest, etc.
<b>Except after c</b>	except after c Means: use 'cei' as in receive, deceive, ceiling, etc.
<b>Or when sounded as "EYE" or "AY" as in Einstein and weigh.</b>	Or when sounded as EYE or AY Means: use 'ei' in "EYE" words such as Einstein, Eileen, Heidi, stein, Steinbrenner, etc. It also means use ei in "AY" words such as weigh, eight, vein, veil.
<b>Neither, weird, foreign, leisure, Seize, forfeit, and height Are Exceptions spelled right</b>	And so are: protein and caffeine forfeiture, codeine, heifer, etc. Memorize these!
<b>But don't let the C-I-E-N words get you uptight!</b>	Means: cien as in efficient, ancient, conscience, and sufficient etc.
